

CHARTER
of the
SOUTH AUSTRALIAN FORESTRY CORPORATION

1. INTRODUCTION

- 1.1. This Charter has been prepared by the Minister for Forests and the Minister for Finance, following consultation with the South Australian Forestry Corporation, in accordance with Section 12 of the *Public Corporations Act 1993*.

This Charter has been prepared to reflect major changes to ForestrySA following sale of the Green Triangle Forward Rotations.

- 1.2. This Charter should be read in conjunction with:

- *The Public Corporations Act 1993*;
- *The South Australian Forestry Corporation Act 2000*;
- *The Forestry Act 1950*; and
- *The Public Finance and Audit Act 1987*.

- 1.3. Expressions used in this Charter have the same meaning as in the *Public Corporations Act 1993*.

- 1.4. In this Charter, the South Australian Forestry Corporation is referred to as "the Corporation".

- 1.5. This Charter sets out the Government's strategic objectives, priorities and requirements for the Corporation.

PART 1: STRATEGIC POSITION

2. BOARD RESPONSIBILITIES

- 2.1. The Board of a public corporation is responsible to its Minister for Forests for overseeing the operations of the corporation with the goal of:

2.1.1. Securing continuing improvements of performance; and

2.1.2. Encouraging and facilitating regionally based economic activities based on forestry and other industries by protecting the long term viability of the corporation and the Crown's financial interest in the corporation for the benefit of the people and economy of the State.

3. STRATEGIC-COMMERCIAL DIRECTIONS

- 3.1. The Government requires the Corporation, in fulfilling its statutory functions as set out in the *South Australian Forestry Corporation Act 2000*, to be a business enterprise with the principal responsibility to manage State-owned plantation forests to the benefit of the people and economy of the State, manage plantation forests for other forest owners and pursue the following strategic commercial directions:

- 3.1.1. Manage State-owned plantation forests for commercial production in line with best practice standards for forestry operations and environmental management;
- 3.1.2. Manage Green Triangle plantations (growth, harvesting, marketing and protection) as Agent to the Treasurer in accordance with State contractual obligations.
- 3.1.3. Undertake, and where appropriate commercialise, forestry related research for the benefit of the Corporation and the State; and
- 3.1.4. Maximise the value of the Corporation whilst achieving other key requirements of Government set out herein.

4. ECONOMIC DIRECTIONS

The Government is committed to the ongoing development of the South Australian economy through mechanisms that foster:

- economic growth, investment and reinvestment in South Australia;
- development of exports and entry to overseas markets;
- research, development and commercialisation of technology; and
- implementing a strong information technology base.

To this end, the Corporation shall:

- 4.1. encourage and facilitate regionally based economic activities based on forestry and other industries;
- 4.2. support regional resource protection initiatives and programs;
- 4.3. support the concept of environmental sustainability which assists in the protection of natural assets and market accessibility; and
- 4.4. support cooperative research activities within the forestry industry.

5. GOVERNMENT POLICIES

- 5.1. In pursuing the strategic objectives in the context of the Government's directions, and undertaking its functions and exercising its powers, the Corporation shall act in accordance with the Government's:
 - 5.1.1. governance framework for public corporations;
 - 5.1.2. policies generally applying to its commercial agencies; and
 - 5.1.3. policies specifically applying to the Corporation.
- 5.2. The Corporation in developing its operating policies shall have regard to other Government policies and strategies, and the roles and responsibilities of other Government agencies.

PART 2: THE CORPORATION'S OPERATIONS

6. COMMERCIAL OPERATIONS
