

## Visit us at the AFAC22 Conference and Exhibition in Adelaide!

ForestrySA will join forces with emergency management agencies from across the state later this month, as they bring the national AFAC22 Conference and Exhibition back home to South Australia.

The Australian and New Zealand National Council for fire and emergency services (known as AFAC) supports the sector to create safer, more resilient communities.

As an AFAC member, ForestrySA is proud to be a host organisation for the AFAC22 Conference and Exhibition at the Adelaide Convention Centre from 23-26 August 2022.

From 23-25 August, the AFAC22 Exhibition will bring together a comprehensive range of emergency management related exhibiting organisations, with almost 200 stalls across 12,000sqm, including a strong contingent of international exhibitors.

ForestrySA will host a stand in the exhibition alongside the other South Australian host agencies, and we encourage you to come and see us there.

**Access to the AFAC22 Exhibition is free.** All attendees are required to register online. Secure your visitor pass here: [www.afaconference.com.au/2022-pricing-registration](http://www.afaconference.com.au/2022-pricing-registration).

Delegates will attend from Australia, New Zealand and beyond to discuss issues relating to work in fire and emergency services, and to showcase innovative solutions and technology. The exhibition features:

- **The Exhibition Floor**  
Including 100's of exhibiting organisations available to engage with.
- **Demonstration Zone**  
Featuring the latest equipment, technology and practice on display.
- **Expo Stage**  
With practical presentations for those at the frontline of emergency management.
- **AIDR Knowledge Centre**  
Bringing research findings, conference posters and presenters together.

### **AFAC22 Exhibition opening hours:**

- Tuesday 23 August: 1pm to 8pm
- Wednesday 24 August: 9am to 5pm
- Thursday 25 August: 9:30am to 3:30pm

Beyond the AFAC22 Exhibition, the AFAC22 Conference offers four days of proceedings, including inspiring keynote speakers, the Institution of Fire Engineers Australia National Conference, the Australian Disaster Resilience Conference, the Research Day and the Professional Development Program. Find out more about the conference program online: [www.afaconference.com.au/2022-agenda](http://www.afaconference.com.au/2022-agenda).

There's something to suit everyone in the emergency management sector at the AFAC22 Conference and Exhibition this year in Adelaide, and we're looking forward to hosting four days of learning, sharing and inspiring. We hope to see you there. Visit [www.afaconference.com.au](http://www.afaconference.com.au) for more information.
