DIY ORIENTEERING The Kuitpo HQ courses start at the purple triangle and finish at the double purple circle which are both 150m NE of the Kuitpo Forest HQ carpark on Brookman Road (see maps).

In the centre of each purple circle on the mapped course you should find the mapped feature plus a post / plate with a 10 x10cm red / white orienteering symbol, the checkpoint number, and a letter code to write in the correct 'control' box at left. There is a sample control plate near the start.

The Easy Course should be able to be run / walked in 20 to 60 minutes, and could be possible for 10 year olds who have had a good grounding in the legend symbols, and in holding the map to match the mapped features, or to hold the map at the correct angle to the sun. It is helpful to fold and to hold the map with your thumb pointing to where you are on it - and pointing in the direction to travel.

The Moderate Course should be able to be run / walked in 30 to 90 minutes. Knowledge on how to use an orienteering compass could be helpful.

If lost head west to Brookman Road, or south to Harvey Road then west to the Kuitpo HQ.

Maps of the Orienteering courses at Kuitpo HQ, plus other courses within Kuitpo Forest, can be downloaded for free under the D.I.Y. section of the OrienteeringSA website: sa.orienteeing.asn.au Scan the QR code to download these or other DIY maps.
